

# There are **Bigger** IT Outsourcing Companies

## But not **Better**

For 20 years, we have been meeting and exceeding client expectations. We consistently lower infrastructure management costs by 20 - 50%, increase asset management rates to 99% and deliver first-call resolution rates as high as 97%. If your numbers don't come up to these, call us today. Together, we can achieve better results than the industry average and we can do it at a lower cost than the bigger guys.
